NO. 5

U. S. TO MAKE NO MORE LOANS TO FOREIGN NATION

Allies Must Solve Own Reconstruction Problems,
Glass Says

Washington, Feb. 3.—Europe, in so far as the United States Government is concerned, must rely upon her own resources in retrieving financial equilibrium.

This was the interpretation here generally of the letter Secretary of the Treasury Glass has sent to a committee of the Chamber of Commerce of the United States, which sought a Government expression on the proposed international conference of financiers and commercial leaders to discuss reconstruction problems.

In a blunt statement of the facts as he sees them, Mr. Glass declared "the American Government has done all that it believes advisable and practicable to aid Europe." The conference, he added, would serve "to cause confusion and revive hopes, doomed to disappointment, of further Government loans."

The Treasury Department does not offer objection, Mr. Glass said, if the Chamber of Commerce of the United States, which has charge of the details of the conference, wishes to name delegates to an informal conference "provided the scope and character and limitations of such a conference, as well as the impossibility of United States Government action, are clearly understood."

"If the people and Governments of Europe," Mr. Glass declared, "live within their incomes, increase their production as much as possible, and limit their imports to actual necessities, foreign credits to cover adverse balances would most probably be supplied by private investors and the demand to resort to such impracticable methods as Government loans and bank credits would cease."

"The American people should not, in my opinion, be called upon to finance, and would not in my opinion respond to a demand that they finance, the requirements of Europe in so far as they result from the failure to take necessary steps for the rehabilitation of credit."

Definite Indemnity Urged
"There is no more logical or practical step toward solving their own reconstruction problems than for the Allies to give value to their indemnity claims against Germany by reducing these claims to a determinate amount which Germany may reasonably be expected to pay. The maintenance of claims which cannot be paid causes apprehension and serves no useful purpose."

Since the signing of the armistice, Mr. Glass pointed out, the Treasury has made direct cash advances of \$2,380,981,000 to the Allied Governments and in addition has made available \$736,481,000 to those Governments through the purchase of their currencies in covering United States expenditures in Europe. Besides the United States has sold on credit approximately \$685,000,000 in supplies and has extended approximately \$100,000,000 in relief, as well as allowing to accrue \$324,211,000 in unpaid interest on loans.

JAMES HOOVER DEAD

Horse Branch, Feb. 2.—Mr. James Hoover, age 67 years, died at his home near here yesterday at 2 a. m. He had been a lifelong member of Cane Run Baptist church, was a member of the Masonic order, and was one of Ohio County's most respected citizens.

He was never married, but leaves a host of relatives and friends to mourn his loss. The funeral will take place at 2 p. m. today at the Cane Run Baptist church, after which the remains will be interred in the cemetery near by.

MINIMUM SALARY FOR TEACHERS TO BE PLACED AT \$75

Frankfort, Ky., Jan. 30.—Their first readings were given bills today taxing chickens the same as livestock at ten cents on the \$100, requiring deeds to state whether the land lies in a graded school district, authorizing the sinking fund commission to convert the school funds stock in the National Bank of Kentucky, providing for teaching the 5-3t

art of debating, and reading the American Creed in the public schools, fixing the minimum salaries of teachers at \$75, providing for registering optometrists, requiring county tax commissioners to visit each magisterial district in making assessments, and requiring the Adjutant General and assistant to have had five years of military experience.

Among the bills introduced was the Louisville Auto Club bill to regulate traffic on the public highways, fix automobile licenses and provide for their being issued by County Clerks.

The House adjourned shortly after noon until Monday.

HOW TO DEAL WITH "FLU" REVEALED BY DR. FLEXNER

Dr. Simon Flexner, Director of the Rockefeller Institute, in an address before the New Brunswick Scientific Society at Rutgers College, asserted that the danger of influenza does not exist, in itself, since deaths by this cause alone are almost negligible, but from other diseases of the respiratory tract brought on by influenza.

There is no danger from influenza if the patient at the outset of the disease is put in a room by himself and kept there until complete recovery, Dr. Flexner asserted. Deaths are caused, he said, by patients being out too soon and contracting pneumonia.

Influenza, he said, is carried by personal contact, in the spray containing the germs thrown out during speech, sneezing or coughing. It is almost impossible, therefore, to control its spread when it becomes epidemic.

Calling attention to the fact that the influenza-pneumonia epidemic of 1918-1919 had cost the world more in lives and wealth than the war, Dr. Flexner said:

"But the two disasters are regarded in different ways by the public because of the feeling that war might be avoided, whereas death from plague is beyond man's control. This is an erroneous view, since most diseases, if intelligently handled, could be prevented from becoming epidemic."

PRIMARY REFORM BILL

The brief outline of the administration primary reform bill given in the morning papers indicates that Governor Morrow and his party have determined to violate that platform pledge which calls for the repeal of the primary law. The Brock bill, as outlined, is a sham and a poor subterfuge. It knuckles principle to the demand of the Republican Congressmen and Circuit Judges and county offices from its provisions, leaving only State and senatorial nominations affected by its terms. So far as the outline goes, the bill gives no relief to the independent voter. In every way it bears the watermark of a sham and a bluff.—Louisville Times.

WHITES PLAINS BANK ROBBED

Whites Plains, Ky., Feb. 2.—The Farmers' bank at this place was broken into by robbers Wednesday night and about \$100 worth of war savings certificates and some valuable papers and a gold watch were stolen.

The vault door was drilled through and blown off, but the safe containing the bank's funds was not damaged.

The tools with which the vault was broken were stolen from a local blacksmith shop. There is no clew to the identity of the thieves.

BERRY-COX

Mr. Ellis Cox and Miss Elizabeth Berry were united in marriage at the Court House in Hartford last Friday morning by Judge Mack Cook.

The groom is the son of Mr. Albert Cox, of near Sulphur Springs, and the bride is the daughter of Mrs. Laura Berry, of Beaver Dam. Both contracting parties are well liked by all who know them.

STOCK FOR SALE

2 good brood mares, 1 mule 3, 1 mule 5, 2 fillies 3 years old. 3 Polled cows and calves, 1 Polled Durham bull 6 months old. All good stock, priced right.

Beaver Dam, Ky.

Demand For Better Railroad Service Being Sought By Ohio County, Hon. I. S. Mason.

The people of Ohio County regardless of party affiliation, are solidly behind Hon. I. S. Mason in his effort to secure, through legislation, adequate passenger service on the M. H. & E. R. R.

His bill provides that Kentucky railroads of more than 5 miles in length shall operate a passenger train each way every day in the year, and that where these roads also operate a freight train, there shall be passenger coaches attached to it, thus giving mixed train service each way every day except Sunday.

He was prompted to present this measure, by the complaints of thousands of citizens along the M. H. & E. branch of the L. & N. R. R. When this road was being constructed, the company persuaded hundreds of citizens to donate the right of way through their farms, promising an adequate passenger service, as well as an easy means of shipping their products to market. But for several years past, the only passenger service has been that of a mixed train starting at Elmitch in the morning and returning in the evening. This train was almost invariably from one hour to several hours behind schedule, so that when one boarded this train, he had no certainty as to when he would reach his destination.

At about the time the bill was introduced, the railroad company discontinued the mixed train service and is now running a passenger on almost schedule time. This is one hundred percent better than the former service, and gives the people of the Sunnydale, Dundee, Narrows, Olaton, Davidson and Fordville section of the county an easy means of conveyance to their county seat and elsewhere, but it is of practically no value to the citizens of the Centertown, Kronos, Smallhouse section of the county, who desire to visit their county's capital and return the same day. In fact, to make a business trip here now, would require them to remain until the third day. A regular passenger train was operated once before but was soon discontinued and the people fear that this will again be the case, unless by legislation, the railway company is compelled to give the proper service.

The editor has talked to hundreds of Ohio County Citizens about this matter and every mothers son of them favor the passage of this measure, so KENTUCKY LEGISLATORS, IF YOU WOULD DO THE WILL OF THE PEOPLE, PASS THIS BILL.

MARRIED IN HARTFORD

Mr. Shelby Coppage, of near Dundee, and Miss Mary Pentress, of Narrows, came to Hartford last Thursday and were united in wedlock by County Judge Cook.

Mrs. Coppage is the daughter of Mr. O. D. Pentress, a merchant at Narrows, and Mr. Coppage is the son of Mrs. Frank Coppage. Both are popular young people.

The bride is the daughter of Mr. O. D. Pentress, a Narrows merchant, and is well liked by all who know

her. The groom is an industrious young farmer, and very popular in his home community. We congratulate them.

HARTFORD VS. LIVERMORE

In a warmly contested game of basketball here Thursday night, between Livermore and Hartford High School teams, the Hartford boys won by a score of 29 to 24. Calhoun High School team will play the local boys at the Opera House here next Thursday night.

COMMON SCHOOL EXAMINATION

Examinations for common school diploma were held at Fordsville, Beaver Dam and Hartford last Friday and Saturday. At Fordsville there were 17 applicants; at Beaver Dam, 25 and at Hartford, 86. One of the applicants at Hartford merely took it for the practice.

The examiners who assisted Supt. Howard in conducting the tests were Mesdames S. O. Keown and Birdie Midkiff. Several days will be required to complete the grading of the papers. We will perhaps give the names of applicants next week.

UNDERTAKER NOTIFIES WRONG MAN

Quite a commotion occurred at the home of Mr. A. M. Barnett, last Thursday, when a telegram was received from an undertaker in Anson, Missouri, stating that he held the body of Vic Barnett, a brother of Mr. Barnett, and desired instructions as to the disposition of the body. After two or three hours delay, it was ascertained that an error had been made and that the body was that of Dick Burdette, formerly of Whitesville.

COUNTY COURT

The case of Mary E. DeHart vs. Walter Allen was tried in County Court here, Monday.

The charge was that defendant kept \$14.75 worth of tobacco sticks belonging to the plaintiff and caused damage to the amount of \$50.00 because she was unable to obtain sticks at the proper time.

The jury rendered a verdict for the defendant.

All other cases were deferred for various reasons.

AGED COLORED WOMAN DEAD

Mrs. Melvina Griffin, one of Hartford's oldest inhabitants, died at 9 o'clock Thursday night, of Brights disease, after an illness of several weeks duration. She was almost 84 years of age, and leaves two daughters and two sons. The remains were interred in the Hayti cemetery, Friday, after funeral services by Rev. Lee, of Beaver Dam.

LICENSED TO MARRY

Since our last report the following parties have secured marriage licenses:

Shelby Coppage, Narrows, to Mary Pentress, Narrows.
Ellis Cox, Hartford, R. F. D. No. 1, to Elizabeth Berry, Beaver Dam.
Estil Goff, Simmons, to Sallie Hall, McHenry.

REV. GREEP ILL

Friends here have received the news that Rev. J. Walter Greep has been seriously ill of appendicitis for the past two weeks. On January 21, he underwent an operation in the hospital at Tuscaloosa, Alabama, reports indicate that he is convalescing.

PUBLIC SALE

I will offer for sale at public auction, on the 21st day of Feb. 1920, at my livery barn and residence in Centertown, Ky., the following described property:

One road wagon.

PASSENGERS ESCAPE IN BIG R. R. SMASHUP

Engine and Five Cars Overturn
On L. & N. Road Near
Louisville.

Louisville, Ky., Jan. 29.—Jumping the tracks in a cut a quarter of a mile north of Sulphur, thirty-five miles east of Louisville, fast Louisville & Nashville passenger train second No. 4, on its way to Cincinnati, was wrecked at 12:10 o'clock today, five cars and the engine being turned over, but by a miracle no one was killed or seriously injured. A baggage man suffered minor scratches.

Nearly all the windows of the first five cars were smashed. The coaches bounced from side to side of the cut and finally turned over. Engineer Clark I. Dorsey, 2937 South Third Street, and his fireman stuck to the cab and were buried under coal, but were not hurt. James M. Fitzgerald, 1596 Melwood Avenue, was the conductor.

Relief Train Sent Out

Before word was received of the extent of the wreck a relief train was rushed to the scene, leaving here at 1:15 o'clock. On board were physicians, nurses and a wrecking crew. Conductor Green was in charge.

O. R. Yager, a Sulphur resident, was the first on the scene after the wreck, the cause for which has not been ascertained. Passengers were crawling out of the overturned coaches as he arrived, he told The Times over the long distance telephone. The last three coaches, which included the Pullman, remained on the track. They were taken back to Lagrange.

Tracks Are Torn Up

The tracks were torn up for a distance of nearly 100 yards. The rails were bent and twisted out of shape, Mr. Yager said.

The confusion incident to the accident was indescribable. The passengers were badly frightened.

The engineer and fireman had no chance to leap in the narrow cut. The locomotive crashed into one side of the cut and then into the other and finally turned over on its side. How the fireman and engineer escaped being scalded by steam or burned by live coals is a mystery. Coal from the tender buried them, but caused no injuries.

The train is a fast passenger which makes no stops between here and Latonia, except at Worthville, the division point.

INCOME TAX MAN COMING

Elwood Hamilton, Collector of Internal Revenue, is sending his deputies to various parts of the State to assist taxpayers in making out their 1919 Income Tax returns. The Collector announces that during the period for filing returns, one of his deputies will visit the county seat of each county in the State, and in a few instances, will visit towns other than the county seat.

Collector Hamilton says that these officers are sent out to be of real service to the taxpayers, particularly to those taxpayers who have not before had occasion to make a return.

The officers will be glad to furnish blanks and supply necessary information. Taxpayers are invited to avail themselves of the officers service.

Announcement of dates will be made later.

HORSE BRANCH LOSS

Our esteemed friend Alonzo Buford Davis, the former third operator at Horse Branch, has given up his position and gone to take a more responsible position with the Illinois Central at Louisville. Cleus Pearl, another prosperous young man of Horse Branch has taken a position at Leitchfield. We miss these two young men very much. Gone but not forgotten.

Cannot Praise this Remedy too Highly

THE WAY ONE LADY FEELS AFTER SUFFERING TWO YEARS

Judging from her letter, the misery and wretchedness endured by Mrs. Charlie Taylor, R. F. D. No. 1, Box 144, Dillon, S. C., must have been terrible. No one, after reading her letter, can continue to doubt the great healing power of PE-RU-NA for troubles due to catarrh or catarrhal conditions in any part of the body. Her letter is an inspiration to every sick and suffering man or woman anywhere. Here it is: "I suffered two years with catarrh of the head, stomach and bowels. Tried two of the best doctors, who gave me up. I then took PE-RU-NA and can truthfully say I am well. When I began to use PE-RU-NA, I weighed one hundred pounds. My weight now is one hundred and fifty. I cannot praise PE-RU-NA too highly, for it was a Godsend to me. I got relief from the first half bottle and twelve bottles cured me. I advise all sufferers to take PE-RU-NA."

As an emergency remedy in the home, there is nothing quite the equal of this reliable, time-tried medicine, PE-RU-NA. Thousands place their sole dependence on it for coughs, colds, stomach and bowel trouble, constipation, rheumatism, pains in the back, side and joints and to prevent the grip and Spanish Flu. To keep the blood pure and maintain bodily strength and robustness, take PE-RU-NA. You can buy PE-RU-NA anywhere in either tablet or liquid form.

FAIR PRICE COMMISSION ANNOUNCES PROFITS

Dealers May Sell For Less But Must in No Case Charge Any More

The Fair Price commission of Kentucky, located at Louisville, acting in accordance with instructions from the department of justice, at Washington, under authority given by the extension of the Lever act, instead of attempting to establish at one time a fair price list covering all articles of merchandise, has taken for the present, at least, only a small number of the essential and more generally used food products, and this list will be effective at once.

The full co-operation of the retail merchants is asked in complying with their list now effective at the present crisis of abnormally high cost of living. The fair price committee called into consultation a large delegation of merchants handling these products and was guided largely by their suggestions and the maximum margin of profit allowed is deemed eminently fair and just. After the list has been issued and published, anyone found selling at a higher margin of profit may be prosecuted through the United States district attorney for the district. The following is the given list of profits allowed:

Fair Price List

Wheat bread—1½¢ per loaf.
Wheat flour, rye flour, corn flour, in any size, original mill packages from six-pound paper bags to barrels—Add 12 per cent. to your cost.
Same, in broken packages—Add 17½ per cent. to your cost.
Corn Meal, bulk—Add 25 per cent. to your cost.
Corn meal, original mill packages—Add 12 per cent. to your cost.
Hominy—Add 12 per cent. to your cost.

Sugar, all kinds, in bulk—1½¢ to 2 cents per pound.
Sugar, all kinds, in refiners' original packages—1 cent to 2 cents per pound.

Evaporated milk, unsweetened—Add 25 per cent. to your cost.
Oat meal and rolled oats, bulk—2½ cents a pound.
Oat meal and rolled oats, original mill packages—Add 25 per cent. to your cost.

Rice—Add 25 per cent. to your cost.
Beans, white or colored—Add 25 per cent. to your cost.
Starch, edible—Add 25 per cent. to your cost.

Corn syrup, tins—Add 25 per cent. to your cost.
Canned corn, peas and tomatoes, standard grades—Add 33 1-3 per cent. to your cost.

Canned salmon, chums, pink and red—Add 33 1-3 per cent. to your cost.
Canned sardines, domestic—Add 33 1-3 per cent. to your cost.

Dried fruits, raisins, prunes and peaches—Add 33 1-3 per cent. to your cost.
Potatoes, white or Irish—Add 33 1-3 per cent. to your cost.

Onions—Add 33 1-3 per cent. to your cost.
Eggs—Add 12 per cent. to your cost.

Butter—Add 12 per cent. to your cost.
Butter substitutes, oleomargarine, etc.—5 cents per pound.

Cheese, American, Cheddars, Twins, Flats, Daisies, Long Horns and Y. A.'s—Add 25 per cent. to your cost.

Lard, pure leaf, bulk—5 cents per pound.
Lard, pure leaf, tins—Add 25 per cent. to your cost.

Lard, substitutes, bulk—4 cents per pound.
Lard, substitutes, tins—Add 25 per cent. to your cost.

Breakfast bacon, whole pieces—2½ cents per pound.
Heavy bacon, whole pieces—3½ cents per pound.

Hams, smoked whole—2½ cents per pound.
Smoked shoulder, whole pieces—2½ cents per pound.

Lamb and veal stew—Add 25 per cent. to your cost.
Round steak—Add 25 per cent. to your cost.

Sirloin steak—Add 25 per cent. to your cost.
Chuck steak—Add 25 per cent. to your cost.

Chuck roast—Add 25 per cent. to your cost.
Brisket—Add 25 per cent. to your cost.

Pork chops—Add 25 per cent. to your cost.
Green shoulder—Add 25 per cent. to your cost.

Pork roast—Add 25 per cent. to your cost.
Breakfast bacon, sliced—Add 25

per cent. to your cost.
Heavy Bacon, sliced—Add 25 per cent. to your cost.
Hams, smoked, sliced—Add 25 per cent. to your cost.
Smoked shoulder—Add 25 per cent. to your cost.

To arrive at the highest retail price any article contained in the above list can be sold at retail without making the party liable to prosecution through the United States district attorney, the dealer will take his invoice price as a base, then add any other items of cost, such as freight and drayage, etc., to which the maximum percentage of profit can be added and anyone found selling at a higher price will be summarily dealt with.

P. H. CALLAHAN,

Fair Price Commissioner of Kentucky, Board of Trade Building, Louisville, Ky.

GEORGE PRESTON BROWN

George Preston Brown was born in Ohio county, Kentucky, October 21, 1856 and departed this life in Jamesport, Missouri, January 11, 1920. He was 64 years 2 months and 20 days old.

Mr. Brown was married to Martha Frances Hunter, August 4, 1881. To this union one child was born, Amstard P., who survives his parents. Mrs. Brown preceded her husband a little more than two years into the life eternal. Besides the son his immediate relatives consists of four brothers and three sisters all of whom are living in their native state of Kentucky.

He expressed his faith in God and Jesus as his Savior and united with the West Providence Baptist Church while in Kentucky but never transferred his membership upon his removal to this community. Only a few weeks before God called him he said he still had faith in Jesus to save.

Funeral services were held from the Baptist Church in Jamesport, Tuesday afternoon, conducted by the Rev. Dan R. Gott, Pastor, and burial was made in the local cemetery—A Missouri paper.

PROPOSED LOAN CUT \$25,000,000

Washington, Jan. 30.—Reduction of \$25,000,000 in the \$150,000,000 loan proposed for food relief in Poland, Austria and Armenia was made today by Secretary Glass, appearing before the House Ways and Means Committee.

Mr. Glass said the reduction had been decided on in conference with Herbert Hoover, who was quoted as saying that the loan or gift of \$50,000,000 as suggested in committee would do "more harm than good."

"Fifty million dollars would not relieve the menacing situation and revolution might occur in the affected countries," said the Secretary.

Assistant Secretary Norman Davis told the committee the reduction was made possible by Great Britain definitely agreeing to provide the ships for transporting the food. He added that Argentina and Canada had "signified a willingness" to participate, estimating that \$10,000,000 would be provided by them.

"One cannot describe the need of relief," declared Secretary Glass, reciting conditions related to him by American officials just back from Europe. "This relief is the humanitarian and safe thing to do. It is the least expensive thing to do."

"Men, women and children, especially children, are dying by the thousands. One man, just returned from Europe, saw twenty-seven bodies lying unburied in a street in an Austrian city."

The committee adjourned until tomorrow without acting on the proposed loans.

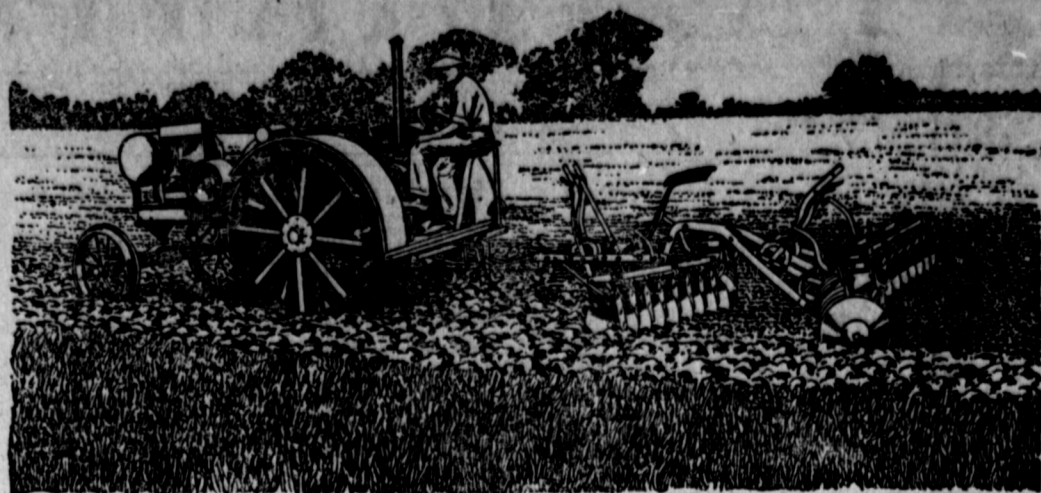

Don't Neglect the Little Ones

A snuffling, sneezing, coughing child certainly is a reflection upon the parents. To permit a child to suffer from a cold is more than negligence; it is cruel. A cold that hangs on weakens the system and can easily turn into something serious. Mrs. J. S. Pitson, 376 E. 158th St., Cleveland, Ohio, writes: "I can't speak too highly of Foley's Honey and Tar. When my little girl has a cold I give her Foley's Honey and Tar and that stops her coughing in a little while." Children like it. It contains no opiates. Sold everywhere. (Advertisement.)

If Senator Burton wants to get a real foretaste of his future, let him spend his vacation hours around Frankfort studying the history of poor old Lillard and other state traitors who have gone this way before him.—Cadiz Record.

Get More Work Out of Your Tractor by Using a Tractor Disc Harrow

Keep your tractor as busy as possible at work that pays. It suffers less depreciation when you use it than when you let it stand idle. It keeps on returning profit on your investment.

Besides using it when you plow, use it in disking before and after you plow. That makes a well-prepared seed bed—the kind that pays most.

Come to our store and let us show you the John Deere Pony Tractor Disc Harrow—a sure profit maker behind any standard tractor.

This is an exceptionally strong, light draft, flexible harrow. It has a separate lever for angling each gang so that

all tendency of harrow to crowd to one side when working in hard and soft ground, or on hillsides, can be overcome.

Its third lever makes thorough pulverizing possible. With it you can raise or lower the inner ends of the gangs of the front section to make all the discs penetrate at equal depth the entire width of the harrow.

There are other features on this harrow which we would like to show you, such as double bar gang frames, twice as strong as any single bar gang frame, all steel stub pole and adjustable spring steel scrapers. Be sure to ask us about these features.

FORDSVILLE PLANING MILL COMPANY,

BEAVER DAM

Mr. Glenden Stevens and Miss Edna Williams were united in marriage last week, at the Baptist parsonage, Rev. Edgar Allen performing the ceremony.

Mr. Charlie Daniel and Miss Blanch Burdon were united in marriage, at the home of the bride, one mile from this place, on the Rochester road. Rev. Frank Burdon performed the ceremony.

The infant child of Mr. and Mrs. Ira Plummer, who died at Jackson, Mich., last week, was brought to Beaver Dam and interred in Sunny Side cemetery, Sunday.

The remains of William Reid, son of Mitchell Reid, died with pneumonia in Kansas City, last week his remains were brought to Beaver Dam and taken to his home in Little Bend for interment, Saturday.

Mrs. S. D. Taylor, who has been visiting her children in West Frankfort, Ill., the last two months has returned to her home.

Mr. Elvis Smith left last week for Detroit, to visit his two daughters, Mrs. Sam Taylor and Mrs. Aaron Westerfield.

Mr. and Mrs. Charlie Williams and little son, Charles Alford, from Stone, Ky., are visiting Mrs. Williams' mother, Mrs. Florence Alford.

Lieutenant Everett Likens has received his discharge from the army. He spent the week-end with his father and mother, Mr. and Mrs. W. S. Likens.

Mr. E. M. Chapman and wife returned home last week from a visit of a month, with their daughter, Mrs. W. A. Casebier, of Louisville.

Born to the wife of Mr. B. Peters last week, a Boy. Mother and son doing well.

To Guard Against Influenza

Don't let the dread influenza get you. If you have even the slightest cough or cold, better begin using Foley's Honey and Tar at once. Henry Willis, Sandy Point, Tex., is one of many thousands who consider this remedy "just fine." He says: "I suffered severely with a bad cough; after using four or five dollars' worth of different medicines decided to try Foley's Honey and Tar. One bottle gave relief. Best medicine I ever used." Contains no opiates. Sold everywhere. (Advertisement.)

A Visit from Friends

Is Always a Delightful Occasion. Here are two friends who wish to call upon you regularly throughout the year. You know them well—Your Own Home Newspaper and Your Own Home Farm Paper.

Since both are working for the same ends as yourself—to promote the best interests of your home and community life and to help you in your chosen work—You will be interested in the following special offer:

THE HARTFORD HERALD

and

THE OHIO FARMER, One Year

Special Price to You
Only \$2.10

Their visits will be welcomed by every member of your home.

FORMER OHIO COUNTIAN WILL BUILD SKYSCRAPER

Went to Owensboro in 1899
With Thirty Dollars
In Pocket

Owensboro, Ky.—The Westerfield Furniture company has closed a deal whereby it became the owner of the old Reinhardt property at the southeast corner of Second and Allen streets, which site was for a while considered for the future Chamber of Commerce, before its reorganization upon its present plan. The property has a ninety-four-foot front, with a depth of ninety feet, and brought in the neighborhood of \$25,000. The Westerfield Furniture company expects to erect, probably next fall, Owensboro's first skyscraper. The building will have, as now contemplated from seven to ten stories, and will cost from between \$75,000 and \$100,000.

This property is one of the landmarks of the town and includes at present the Nanz Floral company, Pedley & Oderman, tailors, the Anthony A. Brown wall paper store, Thornberry Music company, W. P. Daniel Music store and The Fair. As the plans of the new owners are yet incomplete, these firms will continue business at their present locations. The present lease of the furniture company has also not expired.

This company plans to occupy four stories of the building, putting in a full stock of household furnishings, of both medium and the better grades, also queensware, graniteware, Victrolas, carpets, etc. The remaining floors will be rented out as offices. A cafeteria will be fitted up in the basement, and a competent manager will conduct this for the benefit of the business people, who have long needed just such an eating place. There will be lights around the cornice, which will be seen by the surrounding town. Mr. Westerfield, president of the firm, states. Later on as the plans he has been figuring on for the past ten years materialize, there will be a roof garden with suitable entertainment for the young people.

The building will be of Rugby brick and the first floor fronting on Second and Allen streets, will be of plate glass. A passenger electric elevator will be installed in the lobby and a freight elevator in the rear, which will lift trucks to any of the floors with their loads.

W. D. Westerfield came to Owensboro from Masonville twenty-one years ago with \$30, in his pocket and owing \$60. He had been working on a farm in that vicinity for Claude Yager. By starting in the furniture business in a small way, he has added to his earnings from time to time until now he is able to bring to reality for Owensboro the plans he has been building

quietly for the past ten years. Mr. Westerfield will go to Atlanta this week to go over a building similar to the one he expects to erect in Owensboro.

Note: Mr. Westerfield was born and reared in Ohio County and has a few relatives in this section. This is only another example of the long established maxim, "You can't hold an Ohio County man down."

BOLSHEVISM HIT

BY LABOR CHIEF

Gompers Condemns Doctrine "Completely, Finally and For All Time"

Washington, Jan. 29.—Writing in the current number of the Federationist, official organ of the American Federation of Labor, Samuel Gompers condemns Bolshevism "completely, finally and for all time."

The American labor leader declares he doubts whether the propaganda which emanates from the Bolshevik organization itself is more effective than "that conducted by those who claim to be entirely detached from Russian influence and Russian payrolls."

He says he doubts whether publications issued by Russian Bolshevik agents have as great an effect in America as those "which like to be known as 'journals of opinion,' such as The Nation, The Dial and the New Republic."

Mr. Gompers makes an extended reference to the argument that the American people know little about what is going on in Russia and the argument that it is unfair and unwise to pass judgment.

"It is not necessary," says Mr. Gompers, "for Americans to know at all times just what were exact conditions in Germany before passing judgment on the form of government existing in Germany. It was necessary only to know what was the form of government and under what rules it operated."

"We do not have to wait for information about the form of government existing in what is called Soviet Russia. All the information necessary to passing of judgment on Bolshevism and the system of Government and as a state of society is at hand from sources that are authentic."

"The plea of those misguided persons in America who say 'wait for facts before passing judgment' is nothing more than an excuse which, it is hoped, will gain time for the Russian experiment and enable it to spread to other countries."

HAVE YOU BEEN COUNTED?

If you have not been enumerated, send me your name, county and precinct on a card and I will see that it is done, as the Department is very anxious to have a correct report of the population etc.

Yours very truly,

G. W. CASPERKE,

Supervisor 4th District of Kentucky, Brandenburg, Ky.

Hartford Herald \$1.50 the year

BALLARD FAVORS AUTO TAX FOR ROAD FUNDS

A. L. Terstegge Suggests Taxation of Soft Drink Dealers Instead

Frankfort, Ky., Jan. 29.—If Kentucky is to realize her dream of a State-wide system of good roads, said Lieut. Gov. S. Thruston Ballard at a luncheon he gave here Wednesday to the Governor, the members of the Senate and House Road Committees and the Legislative Committee of the Louisville Automobile Club, there must be concerted effort. The Lieutenant Governor advocated a special tax of \$1 per horsepower on automobiles, to whose owners good roads mean more than to anyone else. Various other plans were suggested at the luncheon by other speakers.

Albert L. Terstegge, chief spokesman for the Louisville Automobile Club, suggested a State tax on soft drinks. He said he had been informed by Elwood Hamilton, Collector of Internal Revenue, that the Federal tax on soft drinks, now yielding \$500,000 a month in Kentucky, shortly will be lifted. He thought it would be "dangerous" to saddle on automobile owners larger taxes than they already are paying. He urged a 5 per cent tax on all money wagered at Kentucky race tracks, which would yield \$2,000,000 a year.

1002 DELEGATES WILL NOMINATE CANDIDATES

Representation of States in Democratic National Convention Announced

Washington, D. C.—One thousand ninety-two delegates and an equal number of alternates representing the forty-eight states, the District of Columbia and the territories and insular possessions, will be entitled to seats in the Democratic National convention in San Francisco, Monday, June 28, under the terms of the official call issued by Chairman Homer S. Cummings of the Democratic National Committee.

In this call Chairman Cummings announces that it has been decided to prohibit the practice of electing in any state or territory a larger number of delegates and alternates than the quota allotted to it on the basis of representation fixed by the committee. In previous presidential years it was customary in some states to select particularly a greater number of delegates at large than was officially prorated to them, and to give each of these a fraction of a vote in the convention.

Formal Call

The formal call for the convention follows:

Washington, D. C., January 12. To Whom it May Concern:

By authority of the Democratic National Committee, a National Convention of the Democratic Party is hereby called to meet in the city of San Francisco, in the state of California, on the 28th day of June, 1920, at 12 o'clock noon, for the purpose of nominating a candidate for President and a candidate for Vice-President of the United States; to promulgate a party platform, and to take such other action as may be deemed advisable.

Delegates and alternates from each state shall be chosen to the number of two delegates and two alternates for each Senator in Congress and two delegates and two alternates for every Representative in Congress, under the Congressional apportionment of the district based on the Census of 1910, and the representatives of the various states in the 66th Congress; and in addition the territory of Alaska and the District of Columbia shall be entitled to six delegates and six alternates each, and six delegates and six alternates are likewise allotted each to the Philippines, Hawaii and Porto Rico.

In accordance with the action taken by the Democratic National Committee in authorizing the issuance of this call, it is provided that no state or territory shall elect any number of delegates with their alternates in excess of the quota to which such states, territory or district may be entitled under the basis of representation herein indicated.

(Signed) HOMER S. CUMMINGS,
Chairman.

MINER KILLED

Thomas White, age 39, a miner in the Butenbury mine at Island, was killed by a fall of slate at the mine Thursday morning. His body was badly mangled. He is survived by a wife and two children.

Hoover has the entire country guessing as to his politics. We do know one thing about him, he has an ability to do things.

The New York Sun, a strong supporter of the reservationists, has come out boldly with the admission that the real object of the Lodge reservations is to kill the League of Nations outright.

The Republican majority in Congress will neither let the Democrats pass a soldiers' land bill nor pass one of their own. In fact they seem to be chiefly engaged in preparing obstructions and reservations.

So far, the Kentucky state legislature has done little other than introduce scores of bills. Many of these are constructive and should be passed, so it is to be hoped that ere long our legislators will get down to real business and lay aside all petty political squabbling.

Some cabinet members are inclined to talk too much. Secretary of Agriculture Houston has spent his time working at the business to which he was assigned and has rarely gotten his name in the newspapers. Now, he has received the well deserved promotion to the position of Secretary of the Treasury.

28 Louisville grocers have been arrested charged with giving short weights. The punishment for those convicted will be fines ranging from \$10 to \$100. The penalty should be even greater than this, for a fellow who would give short measure when a dollar purchases such a little "dab" of groceries anyway.

On another page, we publish the list of permissible profits as prepared by the Fair Price Commission. All the merchants to whom we have talked say they are not making this much profit, and we do not believe there are many Ohio County stores that do go above these rates. However if there are any, they would do well to keep within the limits.

Last Monday we cast aside all scientific weather predictions as mere guesses and reverted to the only real prophet, the ground hog, known in some parts as the wood chuck. We had hoped for an early spring, but there is no getting around the ground hog. He came out and saw his shadow and now we are to have 40 days more of winter.

Governor Morrow has named a list of 391 Kentucky offices that according to his ideas should be abolished and says there are yet more. Many of these offices have been in existence for a long, long time and he should be very careful not to sacrifice efficiency in his effort to make political capital, or the matter may react against him. Understand we are for economy, but do not favor eliminating efficiency to secure it.

LOCAL DASHES

Mrs. C. M. Crowe left Tuesday for Auburn, Ky., to be at the bedside of her mother who is ill.

Mr. Bud Yeiser left Tuesday for Birmingham, Alabama, where he expects to secure a position.

Mr. Dick Gillstrap has received discharge from the army and is at home in Beaver Dam. Until recently he had been assigned to duty in China.

Prof. Roy Foreman, who recently closed a successful school at Goshen, was in Hartford Friday and Saturday. Three of his pupils, Nellie Blair, Emma Miller and Eva Carter, took the common school diploma examination on those dates. This

was the third school he has conducted at that place and during that time more than \$120.00 has been secured for the benefit of the school library and other equipment.

Mrs. E. W. Cooper and little children, Ann and Catherine, returned to their home in Nashville, Tennessee, Monday, after an extended visit with Mrs. Cooper's mother, Mrs. C. M. Barnett. Mrs. Barnett went with them as far as Madisonville, returning in the evening.

Miss Bessie Allen, age seventeen, 515 West Seventh street, who was riding with Charlie Bennett, employee of the Comer Blandford garage when the machine collided with a car driven by C. V. Heady, of West Louisville, was slightly hurt in the accident but was able to walk away from the scene of the accident.—Owensboro Messenger.

Miss Allen formerly lived in Hartford.

RICHARD BURDETTE

Information has been received by Mrs. Anna May, of Whitesville neighborhood, announcing the death of her father, Richard Burdette, which occurred at Anniston, Mo., this week. No particulars were given as to the cause of his death. The burial will take place at Anniston.

COLORED PEOPLE MARRY

At about 8 p. m. Monday, D. S. Boswell, of Horton, and Corinne Tinsley, of Hayti, colored people, were united in matrimony by Judge Cook.

WORK OF PLANT INVENTOR

His Skill Produces Variations That Nature Would Require Thousands of Years to Accomplish.

With a watch glass and a fine camel's-hair brush the plant inventor performs miracles. He causes more changes in six generations than Nature, unaided, would produce in 100,000 years. Two plants may be growing in his garden, native of countries separated by continents. Their structures, habits, hereditary tendencies and identities have been preserved through thousands of years. The plant inventor takes the pollen from one, transfers it to his watch glass, carries it to the other, and from the glass transforms it to the bloom. The resultant seed is sown. The new plants may resemble one plant or the other, or they may be like neither, or they may be the veriest monstrosities. There are thousands of disappointments for one success in the work.

Luther Burbank chose one seedling out of 65,000 when he invented the primusberry. The rest were remorselessly destroyed. The new primusberry is a cross between the raspberry and the blackberry, but has a fruit much larger and finer than either. Mr. Burbank has produced 300,000 varieties of plums, 60,000 peaches and nectarines, 500 almonds, 5,000 walnuts, 3,000 apples, 2,000 grapes, 2,000 pears and thousands of different kinds of berries, flowers and vegetables in equal profusion.

Hard to Account for Figures.

Statistics have recently been published in Germany which are so striking that the Medical Record's Geneva (Switzerland) correspondent says they "need confirmation." It is stated that for every 1,000 boys born in the later years of the war, 1,093 girls have been born. Before the war the ratio was 1,000 boys to 1,024 girls. "Nothing," writes the correspondent, "is known with certainty as to the conditions that determine sex in the human species, but there is quite a large amount of evidence in support of the generalization that during wars and famines, when the conditions are generally adverse, especially with regard to nutrition, the proportion of male relative to female births increases. If there is any foundation for this generalization, then we must conclude either that the figures are wrong or that Germany was mightily well nourished during the war, or else that some entirely aberrant influence was at work."

A FARM WOMAN'S LOVE SONG

(The Lively Live Stok)

I love the blue, blue, blue, I love the bright blue sky;

I love to see the white, white, white the white clouds sailing by;

I love the green, green, green grass, that's not so green as I;

I love the fields all growing for the harvest by and by.

I love the flowers beautiful, a-bloom ing everywhere;

I love to see the horse and mule come sniff the fragrant air;

I love to see them chew, chew, chew, till all the stalks are bare;

I love to see them stroll away as though they'd had their share.

I love the Jersey, Jersey cows, and the rich, rich milk they yield

I love to see them jump, jump, jump into the neighbor's field;

I love to chase, chase, chase them till a blister's on each heel;

I love this job especially when getting up a meal.

I love the piggy, piggy pigs (and pork when winds blow cold)

I love to see them stealing corn to show they're strong and bold.

I love to try and drive them out when they've eaten all they'll hold.

I love to see them act so "sassy, sassy" when I scold.

I love the garden vegetables, all up in nice green rows;

I love to see the hen and chicks come find the gate not closed

I love to see them scratch, scratch, scratch with all their little toes,

Until there's nothing left to do but laugh o'er all these woes.

MARY L. JONES.

Underwear New and Dear to Feminine Hearts

DOVE UNDERMUSLINS

Dove Mergie Under-garments are always a good investment. First of all, their materials are substantial. The nainsooks and batistes are fine and soft as befits dainty garments, but they are also strong.

Next the workmanship is exceptional. The seams are carefully finished, embroideries and trimmings are secured by extra stitches, the measurements are ample, you will never find good material wasted through poor making.

As for styles, "Dove" Under-garments are famous for their becomingness, for the novel designs and artistic touches that lend individuality to even the simplest fashions.

You enjoy wearing "Dove" Under-garments and they are so durable and so moderately priced that you find an added pleasure in their evident economy.

Below are a few of the many "Dove" Under-garments—

BLOOMERS—A splendid variety of Bloomers has been assembled. They are made in accordance with the exacting specifications; colors of flesh and white nainsook, with elastic knee and are very daintily trimmed. Unusually priced are these at\$1.25 to \$1.95

PRINCESS SLIPS FOR CHILDREN—In this splendid array are to be found Princess Slips of silk and fine muslin in white; prettily trimmed with lace and embroidery; sizes 2 to 14 years; Very exceptional are the ones priced at85c to \$3.95

PAJAMAS—An unusual variety for selection. They are designed of fine batiste in flesh, white and fancy colors. They depend upon hemstitching and hand embroidery in contrasting shades for their chief allure. Some very extraordinary values are offered at\$2.50 and \$3.50

GOWNS—SPECIAL—An exceptional good purchase was made of fine batiste gowns; slip over style; hand embroidery trimmed in flesh color only; these are exceptional values at \$2.00; very specially priced at\$1.39

CHILDREN'S GOWNS—Here are splendid values of fine muslin; slip over style with long sleeves; trimmed with pretty lace and embroidery; sizes 2 to 14 years; white only; splendid values from\$1.00 to \$2.95

CHILDREN'S DRAWERS—In this array of lace and embroidery trimmed drawers are some exceptional values; made of fine soft muslin, trimmed with dainty laces and embroideries; sizes 2 to 14 years; some splendid values are offered from89c to \$1.50

Warner's Rust-Proof Corsets

The models illustrated are for various types of figures—slender, average and full. Indeed, there is no figure that cannot be fitted in Warner's Rust Proof.

You can Tub Them

The makers guarantee them not to rust, break or tear which means that the design of the corsets, the boning, the materials are of the quality that insures satisfaction.

It has been our ambition to establish a corsetiere service that will be personal and helpful, a trial fitting of the Warner corset, which is free by our corsetiere, will prove to you their comfort and distinctly smart style.

Many of our customers order their corsets by mail, all that is necessary is to write us stating waist measurement, height of bust, length of skirt required and the price you wish to pay, our expert corsetiere will forward to you the corset you desire.

The new styles, in fashion's latest lines, are ready for your inspection. Prices range from\$1.50 to \$6.00

Our customers tell us that we have the most efficient Mail Order Department in the state. This department is in charge of one of our most competent department heads, who has been with this store for over twenty years and gives his personal attention to every Mail Order received. So you can rest assured your orders will receive expert attention.

New Suits

We have just received a delayed shipment of young men's suits—they are here ready for your inspection. These goods were bought at the old price, and are bargains in price and beauties in style and workmanship. Call and see them.

Overcoats

No possible chance for cheaper ones this fall. **Be Wise, Buy Now.** We are offering our remaining stock at a twenty per cent reduction. Our motto is not to carry over stock. They must work. Come in and get your pick at a bargain.

FAIR & CO.
THE FAIR DEALERS

Squire J. H. Patton has been on the sick list for several days.

The new bulk garden seed have arrived at **WILLIAMS & DUKE**

Rev. Landreth, pastor of the No Creek church, called to see us while in Hartford, Monday.

Miss Ordra Ralph, of Ralph, is spending the week with Squire J. L. Patton and family here.

Just arrived, a big aluminum assortment of choice cooking vessels. **WILLIAMS & DUKE**

Sammy Rheinstein, the well known fur, ginseng and produce man, was in our midst last week.

Mrs. Roy Brown and daughter, Verna Brown, visited Mrs. Brown's parents, Mr. and Mrs. G. W. Gordon, at Prentiss, Sunday.

Mr. Rowan Holbrook, Secretary-Treasurer of the Farmers' Loose Leaf Tobacco Warehouse Co., of Owensboro, spent the latter part of last week in this city.

Mr. L. C. Aeton has purchased the lot on the corner of Union and Mulberry streets, from Mr. R. B. Martin. He will build a residence there in the near future.

We have a good supply of Red Top Grass Seed which we are offering at a money saving. See us before they are all gone. **ACTON BROS.**

Mr. and Mrs. Ernest Woodward returned to their home in Louisville last Wednesday, after a brief visit with Mr. Woodward's parents, Mr. and Mrs. W. T. Woodward

Mr. Emory Schroeter returned to Earlinton Monday, after a brief stay with his family here. He has been engaged in photographic work, in that territory for several weeks.

Rev. and Mrs. Russell Walker are the parents of a baby boy born last Wednesday morning. The little fellow tips the beam at 8 lbs. when wearing no garments other than those that nature gave him.

Miss Thelma Baxter, of Louisville, Ky., is visiting her parents, Dr. and Mrs. C. G. Baxter, of near Beaver Dam, for a few days before entering the Nurses' Training School of the City Hospital at Louisville.

Did you know that where others have 30 to 40 disks, the Sharples Separator has none? It has only three working parts, 1 BOWL, 1 BOWL BOTTOM, and 1 DIVIDING WALL. For sale by **WILLIAMS & DUKE.**

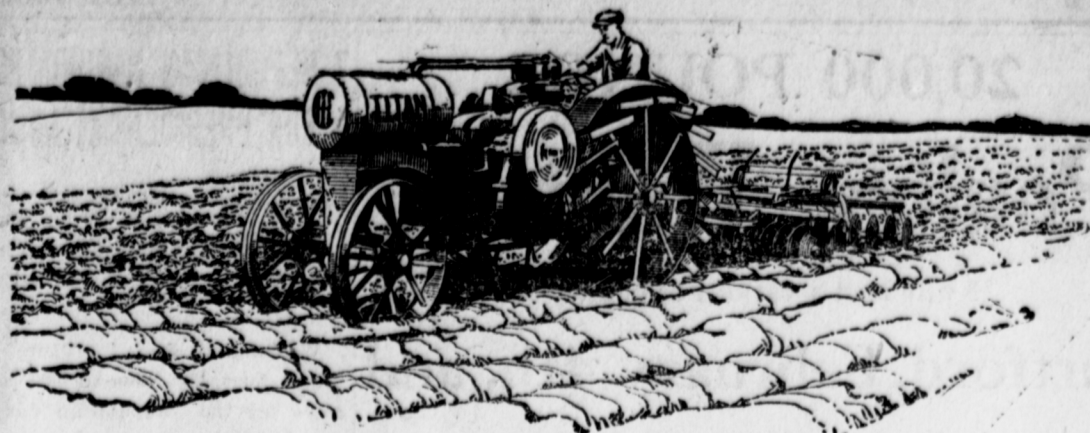

Quite a scare was started last week, when Cecil Tichenor broke out with what at first was thought to be smallpox. Everyone breathed just a little easier when the physicians pronounced it chickenpox. The attack was of brief duration and he is now up and about.

Mr. James Nance, former linotype operator for the Herald, is spending a few days in Hartford. He has recently resigned his position with the Henderson Gleaner and has accepted a similar position with the Owensboro Messenger. His family will not move from Henderson to Owensboro for a few weeks.

Mr. F. C. Bennett, of near Beda, called to see us while in town Monday. He suffered a stroke of paralysis about a year ago, and although unable to perform manual labor, drives or rides into town occasionally. For a considerable time after the stroke he was unable to walk without the aid of crutches, but now walks about with the aid of a cane only.

Have you a child in your home about 10 or 11 years old? He or she can operate a Sharples Separator as well as an older person, the only difference you will get thru quicker than a child for you will turn faster than the child. For a Sharples is GUARANTEED to get all the cream at any speed. Call or write **WILLIAMS & DUKE** for a free demonstration. 5-1f **Hartford, Ky.**

Messrs. J. C. Magan and Jeff Barnett, of near Magan, were callers while in town Thursday. Mr. Barnett had four sons in the army while the World War was in progress. Remus and Ira saw overseas service, one of them spending several months at the front. Herbert and Estill were not sent to France but were in the regular army on this side. Herbert won quite a rep as a sharpshooter having in one contest hit the "bull's eye" 338 times out of a total of 400 shots.

Get Your Tractor Now

THOUSANDS of farmers now own Titan 10-20 tractors. Ask any of them whenever you get a chance and you will hear that they found owning a tractor operating successfully on low-priced, low-grade fuels—kerosene, distillate, etc.—is a paying investment from the very outset.

At hundreds of International tractor schools in the past few months farmers have been shown that kerosene engines must be specially designed—and that Titan 10-20 tractors are specially designed and built to operate on kerosene, or any other crude oil distillate testing 39 degrees Baume or higher.

Titan—The Best Tractor Buy

They are easier to handle than a farm team and easier to care for. You can get your work done on time, plow deeper, prepare better seed beds, do more work with less help, and get more profit from your farm. They do belt work that cannot be done by horses and pull more in proportion to weight than horses. Horses must have rest whether the work is crowding you or not. If necessary, you can keep your Titan working continuously, without rest, until the work is done.

Here you have economy, efficiency, dependability—three prime essentials of farm power—carrying an assurance of bigger crops, better yields, and fatter profit. Order a Titan early. Be sure of having it for the labors ahead.

Sold by **LUTHER CHINN,**
BEAVER DAM, KY.

INTERNATIONAL HARVESTER
FARM MACHINES
SALES SERVICE

Mr. Marvin Murphy, of Sunnydale, was in town, Monday.

Mr. Dan King, of Owensboro, is in Hartford this week.

Mrs. W. W. Riley, of Akron, Ohio, is visiting relatives here.

Miss Eula Gentry left Tuesday for a visit with relatives in Ohio county.—Leitchfield Gazette.

Mrs. L. G. Barrett, who has been ill of appendicitis during the past two weeks, is slightly improved.

Mr. C. N. Taylor and family, of Roanoke, Virginia, are visiting relatives in various parts of the county.

Mr. Cobb, of Livermore, is moving into the property on Bonner avenue, recently purchased from Mrs. Mattie B. Barrett.

Mr. Marshall Flener has purchased the Commercial Hotel at Beaver Dam, from Mr. Finis Pender, consideration not known.

Emmett Quisenberry, of near Olaton, enlisted in the medical corps and Other Austin, of near Hartford, enlisted in the Infantry at the Recruiting station in Owensboro, this week.

Born to the wife of Raymond Phillips early Monday morning, a boy. His name, Raymond Baxter contains part of the name of his father and of Dr. A. B. Riley, the attending physician.

Among our callers, Monday, were Mrs. M. J. Ross, and Miss Anna Rhea Carson, city; Mrs. R. P. Bennett, Hartford R. F. D. No. 3; Mrs. L. F. Bennett, Hartford R. F. D. No. 2; W. B. Taylor, Beaver Dam, R. No. 1; E. F. Renter, Beaver Dam, R. No. 2 and J. P. Austin, McHenry.

Dr. Frank Moseley, of Oklahoma, passed through here last Saturday, enroute to Dundee, where he will spend several days visiting his brother, Robert Moseley, and other relatives. Although reared in this county, he has been practicing medicine in Oklahoma for several years.

We have a full supply of Owensboro wagons and Geo. Delker buggies. Remember when we say Delker, we mean the original Geo. Delker buggies. There's a difference as all experienced buggy users know.

Mr. Earl Harrison, a merchant of near Narrows, spent several days last week with his cousin, Mr. Clarence Harrison, of Hartford.

20,000 POUNDS Poultry Wanted!

I will load a carload of poultry at

Hartford, February 4th, and
Centertown, Feb. 5th.

Car will be near freight depot. Will pay the following prices, or better, deliver to me at car:

Hens, . . . 26c per pound
Cox, . . . 12c per pound
Turkeys, . . 32c per pound
Ducks, . . . 25c per pound
Geese, . . . 20c per pound

Hen Turkeys 8 lbs. & over. Tom Turkeys 12 lbs. & over

Bring me your poultry and get the CASH. A square deal in weight positively guaranteed,

L. J. WOODS.

Call your neighbors and tell them to bring their poultry.

DE LAVAL

The World's Standard.

You will do yourself an injustice if you don't try the De Laval before buying. It has fewer parts, therefore longer life; makes a better quality of butter fat, having taken all premiums for butter at the Creamery Convention for the last 25 years; and there are more De Laval in use than all other makes combined, which is sufficient evidence of the superiority of the De Laval. Call us for a demonstration.

J. D. WILLIAMS & SONS,
Beaver Dam, Ky.

Both Phones.

SALE of TIRES At Closing Out Prices

We are discontinuing two makes of tires—to sell them out in a hurry, we have placed them on sale at these big bargain prices.

Size	Pls. Casings	Non-Skid Casings	Gray Tubes
28x3	\$11.50	\$2.00
30x3	11.30	2.15
30x3 1/2	14.70	2.43
32x3 1/2	17.15	2.89
31x4	22.50	3.47
32x4	23.00	3.58
23x4	24.00	3.76
34x4	24.50	3.93
34x4 1/2	34.75	4.86
35x4 1/2	34.60	4.91
36x4 1/2	35.10	5.14
35x5	39.50	5.90

These Are Delion and Mansfield Tires

Delion and Mansfield are good tires, as everyone knows! Both are built to run 6,000 miles. But we haven't the room for a complete display of big one make. That's why we are discontinuing these; that's why these tires and tubings are going at such prices.

LOUISVILLE KENTUCKY

7 REPUBLICAN CANDIDATES FOR PRESIDENTIAL HONORS

Democrats Await Treaty Action
And President Wilson's
Stand

Washington, Feb. 1.—There are seven formally announced candidates for the Republican nomination for the presidency, with seven managers and seven organized officers here in Washington and New York. In addition there are not less than five more candidates whose situation is such that they probably will not conduct a formal campaign, but who nevertheless will have some delegates.

On the Democratic side there is not yet any formally announced candidacy except the relatively minor one of James W. Gerard, and there is nowhere any office, headquarters, manager or organization devoted to the business of getting delegates for a Democratic nominee.

Let no Republican argue that this difference is due to relative attractiveness of the two nominations.

There are plenty of Democratic leaders who believe that they could win if they were nominated, and there are plenty of disinterested observers who believe that certain Democratic candidates could win under certain combinations of circumstances.

Await Wilson's Position

The Democratic candidates don't announce themselves because of two things that are in suspense. One is the position of President Wilson and the other is the state of the treaty.

Mr. McAdoo, for example, who is President Wilson's son-in-law, and Mr. Palmer, who is a member of President Wilson's Cabinet, cannot gracefully announce themselves as candidates for the presidency, or otherwise be as aggressive as they might wish without first assuring themselves that such action would not be repugnant either to President Wilson's personal plans or to his plans as party leader, or—what weighs especially heavily just now—the President's plans with relation to the Peace Treaty.

The treaty is, in fact, the other thing that prevents crystallization of candidacies on the Democratic side. There must be suspense until it is known whether or not there will be a successful compromise in the Senate and whether or not that compromise will be acceptable to President Wilson.

Finally, and most important, there must be suspense until it is known what plans President Wilson will want to make about the League of Nations after the Senate has done whatever it is to do—in short, whether or not the league is to be an issue in the coming campaign.

On the last point signs accumulate that the league will be an issue, and the bearing of that fact, if it should so eventuate on the naming of the Democratic candidate to lead the fight, especially its bearing on the Hoover possibility, is obvious.

DISPUTE IN DARK TOBACCO SECTION BECOMES SERIOUS

Paducah, Ky., Feb. 2.—Friction between tobacco growers of the Black Patch district and operators of loose floors and chutes is becoming more serious daily and the situation is acute.

At least 3,000,000 pounds of tobacco has been pledged by farmers to be kept in the barn until buyers send bidders out for it. Meetings are being held in practically every McCracken County precinct and the growers of Ballard and Hickman Counties are almost solid against the present sales system.

A report is current here that twenty or more farmers hid under a bridge near Paducah and stopped nearly a dozen wagons which were en route to Paducah loose floors with tobacco, forcing the tobacco to be taken back to the barns.

Hartford Herald, \$1.50 the year.

Are You Losing "Pep"?

Do you feel tired all the time? Does your back ache? Do you feel you are not so spry as you use to be? Middle-aged men and women often blame on coming age for loss of ambition and energy when it is overworked or disordered kidneys that cause them to feel old before their time. Foley Kidney Pills tone up and invigorate the kidneys, banish backache, rid the blood of poisons. Rev. W. F. M. Swyndole, Macon, Ga., writes: "I am ready any time to speak for Foley Kidney Pills." Sold everywhere. (Advertisement.)

Hartford Herald, \$1.50 the year.

LALLEY LIGHT and POWER

For Farms and Rural Homes

Announcement!

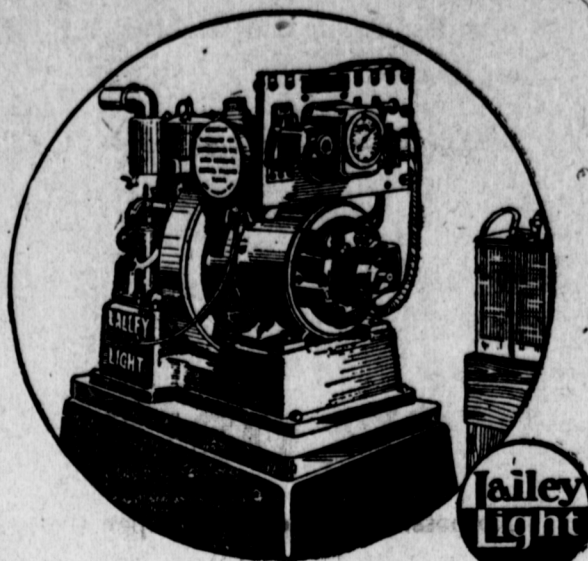

We have secured the exclusive franchise for selling the well-known Lalley Electric Light and Power Plant in this territory.

For some time we have noticed that the progressive farmers of this section are realizing that economical and reliable electricity is just as important—if not more so—to the proper development of their farming business and to the comfort of their homes, as the telephone, the daily mail, the automobile, and the most valuable labor-saving farm machinery.

It is our intention to give the residents of this community the very best material and the best of service for its maintenance.

When we decided to sell an electric light and power plant, we set out to secure that plant which, in our opinion, had proven itself to be the most reliable, the most economical, and in every way the best investment for our patrons.

We chose the Lalley Light plant, manufactured by the Lalley Light Corporation of Detroit, Michigan, one of the largest manufacturers engaged exclusively in the production of farm electrical equipment.

Lalley Light is a complete unit—engine and generator—with 16 cell storage battery. It supplies ample electricity for lights, water pump, washing machines, sweeper, cream separator, fanning mill, iron, etc.

Our Personal Word Is Behind the Lalley

The Lalley Light plant has been in successful use on farms and elsewhere for ten years. It has only three moving parts; it is ball bearing equipped; it will furnish ample electric light for your home and outbuildings, and electric power to operate a complete water system, a churn, vacuum cleaner, an electric iron, a washing machine, an electric fan, and any other domestic electrical apparatus you may desire or need.

Come in and visit us so that we can show you this Lalley Light plant, or telephone us and we will go to your house.

FORDSVILL PLANING MILL COMPANY
JAKE WILSON, Manager.

LALLEY-LIGHT

THE ELECTRIC LIGHT AND POWER FOR EVERY FARM

HEAR COLVER ON PAPER SHORTAGE

Washington, Jan. 29.—Voluntary reduction of news print consumption by publishers is the primary remedy of the paper shortage, Chairman Colver, of the Federal Trade Commission, said today before the House Ways and Means Committee. Publishers of big papers, despite agreements among themselves, have not practiced the economy that is necessary, he added.

"The publishers must recognize that they are consuming more than is and can be produced," said Colver.

"The size of papers is hardly a subject of legislation," he continued, urging smaller Sunday editions and the elimination of extra editions.

Chairman Fordney remarked that "Congress has no authority to fix the size of papers."

Repeal of the excess profits tax and removal of all tariff on news print also were suggested by Mr. Colver as remedies. He said the shortage trouble began with the excess profits tax, encouraging unusually large expenditures for advertising as a means of evading the tax.

"Smaller publishers are most hurt," declared Mr. Colver, "because the larger publishers are keeping paper from them by taking paper on contract."

The contract price, he declared, averaged 4 1/4 cents, and the current market price is about 9 cents. The cost of producing paper on April 1, 1918, was 2 4-5 cents a pound, but has "increased materially" since then, Mr. Colver said. No increase in production, through new mills, to equal the increased consumption was in sight, he continued.

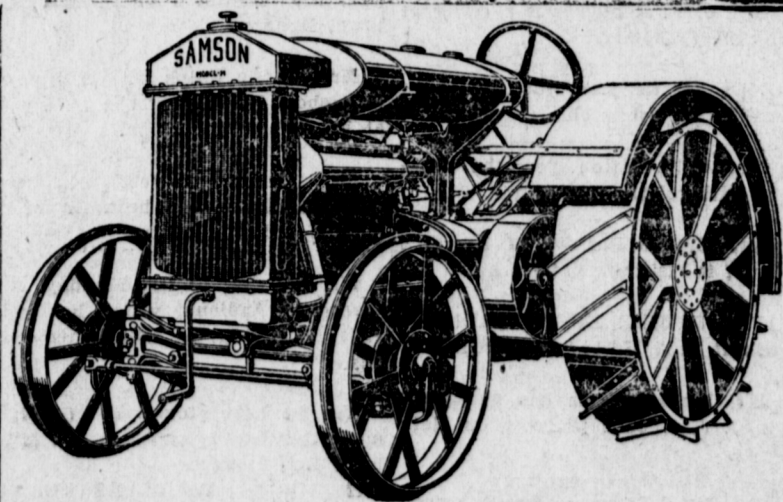

BROOMS! BROOMS!

Bring me your corn, clean, and cut stalk to 6 in. Charges for making 40c each.

Work from Monday morning till Friday noon. Plant next door to Dr. Bean's drug store. Should place be closed tag and leave corn with A. C. A.

N. A. SCHROADER.

Hartford Herald, \$1.50 the year.

THE Sampson Tractor Model M

Is the last word in modern tractor construction. It is not like the average I-Beam and Channel-Steel Frame Tractor that weighs so much, it takes a large per cent of its own power for propulsion. It is a close coupled power unit all by itself from radiator to rear wheels. Every working part is inclosed and protected against dust, mud or rain.

It Has No Lost Motion

for it is built and lubricated throughout like a high-priced auto, insuring great efficiency, ease of operation, maximum length of life and service.

This is the lowest priced of any modern tractor on the market today.

A BIT OF ADVICE

Don't Delay. Second—Don't Experiment

If you suffer from backache; headaches or dizzy spells; if you feel poorly and are languid in the morning; if the kidney secretions are irregular and unnatural in appearance, do not delay. In such cases the kidneys often need help.

Doan's Kidney Pills are especially prepared for kidney trouble. They are recommended by thousands. Can Hartford residents desire more convincing proof of their effectiveness than the statement of a Hartford citizen who has used them and willingly testifies to their worth?

L. P. Turner, farmer, Clay street, Hartford, says: "I am glad to recommend Doan's Kidney Pills because they relieved me when my kidneys and back troubled me. I consider Doan's Kidney Pills a reliable kidney medicine and deserving of great praise."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Turner had. Foster-Milburn Co., Props., Buffalo, N. Y. Advertisement.

Catarrh Cannot Be Cured

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarrh Medicine is taken internally and acts through the blood on the mucous surfaces of the system. Hall's Catarrh Medicine was prescribed by one of the best physicians in this country for years. It is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarrh Medicine is what produces such wonderful results in catarrhal conditions. Send for testimonials, free.

Sensations That Will Eclipse Those

Kentucky News Cullings

An epitome of the most important events transpiring throughout the state

Murray.—James Boyd, 97, oldest citizen of Marshall county, died at his home north of this place.

Paducah.—Miss Vera Elsie Greif, 18, died at the hospital following an operation for appendicitis.

Maysville.—An advance in the cost of flour has caused a raise of one cent a loaf in the price of bread.

Hazard.—A postoffice will be established in Holliday, near Caney, with Harrison Holliday as postmaster.

Carlisle.—Mrs. Sallie F. Congleton, aged about 65, died of paralysis at her home in Arnold Heights, this city.

Richmond.—The council authorized the Cumberland Telephone Company to continue war rates until August 1.

Ashland.—The German 77-rifle, war trophy awarded to Ashland, has arrived and will be mounted in front of the postoffice.

Winchester.—The prohibition record for the last six months closed with the entry of only twenty-seven arrests for drunkenness.

Morganfield.—The Union County Farm Bureau, with 500 members, was organized with the election of A. R. Long president.

Flemingsburg.—Thomas D. Doyle and Mrs. Laura Ellen Doyle, who were divorced a month ago, went to Paris and were remarried.

Winchester.—Helen Fisher, 3, daughter of S. D. Fisher, was burned to death when her clothing caught fire from an open gas stove.

Middlesboro.—A squib fired too close to a keg of powder, which ignited, killed Henderson Myley, 18, and fatally injured William Myley, 21.

Danville.—A special term of the Circuit Court has been called for March 29, at which the famous Cecil case will be tried for the third time.

Cynthiana.—Lew Keller, former merchant, who has been in the Confederate Home for a year, suffered a stroke of paralysis and is helpless.

Versailles.—Mrs. Elizabeth Sublette Hawkins, 94, mother of Sheriff R. S. Hawkins, who died here, was the oldest citizen of this county.

Ashland.—The bodies of Helen Mae Sammons, 13 months old, and her infant sister, who died the same day, were buried in the same casket.

Maysville.—Ben Mains, tobacco grower, was killed when his team ran away and he was thrown in the path of a wheel, which crushed his skull.

Maysville.—The Rev. A. F. Stahl, pastor of the Christian Church, has received calls to the Clifton Church, Louisville, and a church at Fairmont, W. Va.

Nicholasville.—E. D. Hoover's buggy was wrecked by R. C. Duncan's auto in front of a livery barn, and Joe Lewis, in the vehicle, was seriously hurt.

Brodhead.—Garland Farris was shot through the left lung by a stray bullet fired by youths engaged in target practice. His recovery is expected.

Maysville.—Mrs. Elizabeth Herron lost the suit in which she sought to be made guardian for her son, Thomas Herron, for whom the Bank of Maysville was appointed guardian.

Beattyville.—The county agent has a proposal from a large packing firm to build a cannery here, provided farmers pledge themselves to grow 100 acres of tomatoes hereabouts.

Jackson.—H. S. Adkins, Bruce Hardy, and A. E. Slicott, Hazard, have leased coal land in this county and will open a mine, their corporation to be known as the Perry-Bell Co.

Winchester.—In a letter to his parents, the Rev. James Cumming, missionary to Korea, says he is daily working among lepers, and recently slept in a house with nine patients.

Richmond.—Mrs. Harry Morgan, White's Station, has sold eggs to the sum of \$447 from 125 hens, in the last twelve months, after reserving an abundance for family use and hatching.

Whitesburg.—Jas. Thomas, charged with having shot and killed Rose Watson, colored, escaped from jail at Fleming.

Winchester.—Herbert Hefflin's new automobile was wrecked when it collided with a semaphore in the street in the night.

Newport.—Awakened by the movements of a burglar in the house, A. R. Murray grappled with him, but was thrown off and the burglar escaped through a window with 75 cents.

Lexington.—Tobacco sales for the season have reached a total of 26,621,800 pounds at an average of \$56.46 per hundred.

Georgetown.—The monument to Revolutionary soldiers of Scott county has arrived and will be dedicated by the D. A. R. in the spring.

Central City.—Capt. Richard McCracken has been granted authority by the Adjutant General to organize a company of infantry.

Cynthiana.—Hugh Moss was shot through the leg by M. N. Tolle, who accidentally discharged an automatic pistol at the Keller distillery.

Nicholasville.—The dam at Union Mills, floodworthy for seventy years, collapsed from recent high waters and much damage was done below.

Catlettsburg.—Mabel, 3-year-old daughter of Jay Caudill, Paddle creek, strangled to death during an attack of croup, having been well an hour before.

Stanford.—Just as J. W. Williams and wife cleared the Hanging Fork bridge, the embankment collapsed and the road will be impassable for a week.

Campbellsburg.—Notification has been received by Aaron Hardin that Lorenzo Hardin, his son, a bugler, died while with the expeditionary forces in France.

Bowling Green.—Because they had joined the navy, charges against Chas. and Herman Poston, accused of breaking into the Country Club, were dismissed.

Danville.—Hudson & Davis bought the Cogar Coal and Grain Company's business at Harrodsburg and will operate under the management of Edward Dillehay.

Grayson.—Charles Johnson and William Sparks, Elliott county, arrested at Hitchens with three suit cases containing 38 quarts of whisky, were brought to jail here.

Lexington.—When J. C. Boude and wife were overcome with gas fumes in their home, she was able to reach a telephone and call neighbors, who saved their lives.

Frankfort.—Charles Wiard, whose license number is the same as Governor Morrow's majority in the November election, will trade auto tags with the Chief Executive, who drew the number 15,149.

Lawrenceburg.—Unconscious of the approach of a train, Harry McAfee attempted to cross the railroad at the depot, narrowly escaping when the engine tore off a front wheel and fender.

Falmouth.—Joe Jackson sold 500 pounds of tobacco here, which a Grant county farmer claimed had been stolen from his barn, and Jackson turned over to him \$144 for which the leaf had been sold.

Stanford.—In tearing out shelving in his store for repairs, E. R. Coleman found \$50 in bills between the casing and wall, its presence there being a mystery of the long ago which has no explanation.

Beattyville.—Latest word from Ross creek, where Durr Rader and Johnnie Freeman were killed following a dance, is that they were shot from ambush, and there is no clue to the identity of their slayers.

Danville.—Sheriff Farris inaugurates a new order in announcing that he proposes to prosecute every person harboring an unlicensed dog, subject to a fine of \$100, and a large increase in licenses is expected.

Vanceburg.—Mrs. O. D. Hemmingsway will be tried on a warrant sworn out by Miss Viva Carpenter, of Florence, charging abusive language. The defendant accused Miss Carpenter of a flirtation with her husband.

Ashland.—Policeman Mills and Fire Chief Kinkaid fired upon two fleeing men in a suburb of Catlettsburg who were said to be Isaac and Hebe Kirk, accused of slaying Sheriff Wells and Detective Harmon, in Johnson county.

Hopkinsville.—The Pembroke Strawberry Growers' Association will increase its average from 300 to 500 acres this spring; an association has been formed here with 150 acres, and at Elkton 120 acres have been pledged.

Harrodsburg.—When hogs rooted up his bluegrass avenue during his absence last year, Wayne Watts had it plowed for reseeding, then decided to set tomatoes and has just sold the crop for \$2,012, for which he thanks the hogs.

Cynthiana.—Burns received when his clothing took fire from a grate are expected to result in the death of the 2-year-old son of Johnson Sturgeon.

Mayfield.—Mrs. Almetta Jones, 91, died at the home of her son near West Plains from burns sustained when her clothing caught fire from a stove.

Winchester.—The bursting of a water pipe on the third floor of the Perry building damaged furniture stored on the second floor and stocks of two firms below.

THE NORTHERN STATES HAVE ADOPTED THE 56" AUTO-TRACK WAGON

Which Would You Buy?

IF YOU were buying a farm and there were two farms of exactly the same size for sale, located right next to each other, and if the soil was just the same but—one farm had 80 acres under cultivation and all in crop while the other had only 50 acres in crop, the crops being the same kind, and the farm with the 80 acres in crop had a big red barn and a good house while the other farm had only a small cabin for a house and an old straw-and-mud stable for a barn—

Which farm would you buy in a case like that if the price was about the same in both instances? Foolish question, isn't it?

Well, then—

If you were buying a new wagon and there were two different wagons of the same size that sold at about the same price, but—one wagon had exceptionally well ironed gears, was equipped with a "fifth-wheel" to distribute the strain on the front bolster and prevent whipping of the tongue and rocking of the bolster, and was also equipped with a swivel-reach-coupling to relieve both front and rear gear, axles, wheels, and brake of twisting strains when riding over rough ground, chuck holes, etc.—a wagon just like the standardized auto-track Weber—while the other wagon had none of these features—and we have not yet mentioned the quality of wood stock and the seasoning of the Weber to say nothing of the fact that the Weber Wagon's known reputation is unquestioned—

Which wagon would you buy? Tell us the answer when you are ready to buy a new wagon. We are the exclusive agents in this town for Weber standardized auto-track wagons.

WHAT A WELL-KNOWN KENTUCKY WOMAN SAYS

Frankfort, Ky.—"I consider Dr. Pierce's Favorite Prescription the best tonic a woman can take. I have been going down in health for some time. I was weak and nervous and in poor health generally. Just recently I began taking the 'Favorite Prescription' and the results are very gratifying to me. I am getting stronger and my health has improved in every way."

MRS. STELLA WHITE, 514 Wilkeson St.

Advice for Mothers

Covington, Ky.—"For the expectant mother there is no tonic in the world so beneficial as Dr. Pierce's Favorite Prescription. I took this medicine for several months during expectancy and had comparatively no suffering. My baby was strong and healthy and I had no after trouble. I also took Dr. Pierce's Pleasant Pellets to keep my system regulated and I believe that they prevented hemorrhoids for I always had this trouble when I had not taken the 'Pellets'. It is a pleasure to recommend such satisfactory and reliable remedies as Dr. Pierce's and I have no hesitancy in sending my testimonial."

MRS. LYDA OCHE, 128 E. 13th St.

"Weak and Nervous"

Lexington, Ky.—"Dr. Pierce's Favorite Prescription is by far the best medicine for women that I have ever taken. I do not know of a medicine I could recommend for a woman to take as I can this medicine. I have taken it to build me up when run-down and in a nervous state and consider it the best nerve builder and the most lasting of any I ever tried. 'Favorite Prescription' is excellent for women to take during expectancy also during middle life; in fact, it is a perfect woman's medicine and is worthy of any praise I can give it."

MRS. ELLEN FRONK, 608 Breckenridge.

Foley's Honey and Tar COMPOUND

STOPS THAT DISTRESSING COUGH—checks it quickly and surely, clears the throat of phlegm and mucus, and coats the raw, inflamed surfaces with a healing, soothing medicine.

Don't Cough Until Weak

"I am an old lady, 75 years old, and I had a very bad cough from having la grippe. I thought it a good time to try Foley's Honey and Tar Compound, and I sent and got a bottle, and it stopped my cough, and I got better. So now I am around the house again."

Mrs. Mary Kisby, Spokane, Wash.

We can prove no imitation or substitute is as good as the genuine Foley's Honey and Tar.

Lalley Light and Power Pays For Itself by Saving Work

Running water in the house and barn; power to do much necessary farm work; sure, safe, convenient light every day in the year—every one a Lalley saving. These are a few of the ways in which Lalley Light pays for itself.

It saves work. It saves time. It gives farm men and women the chance to do other things while it performs tasks now done by hand.

Running water in the barn saves time in watering the stock. Lalley Light power makes it possible.

Lalley Light is a complete unit—engine and generator—with 16-cell storage battery. It supplies ample electricity for lights, water pump, washing machine, sweeper, cream separator, fanning mill, iron, etc., etc.

In the house, running water saves thousands of steps, and makes life easier every day.

Henry C. Anthony, of Manning, Iowa, says: Since installing a Lalley in my home I have perfectly good light in all my farm buildings at any time, day or night, with very little care and expense. "I also run my electric supply pump, with perfect satisfaction."

LALLEY LIGHT CORPORATION
DETROIT, MICHIGAN, U. S. A.

Lalley Light saves time, saves labor, saves money.

BEECH VALLEY

The roads are very bad in this section of the County.

Mr. and Mrs. Alva Magan, are the proud parents of a baby girl at their home, named Wilda Evelyn.

Messrs. Lee P. Miller and J. C. Magan made a business trip to Hartford, Tuesday.

Mr. Willie Patton, of Hartford, spent the week-end with his sister, Mrs. T. S. Miller, here and other relatives at Ralph.

Mr. and Mrs. J. H. Miller and Miss Louvena Burdette, spent Sunday with Mr. and Mrs. R. A. Duke, of Sunnydale.

Mr. William Taylor has returned from Owensboro, where he was called to the bedside of his mother, Mrs. Nancy Taylor, who is very ill. A telegram has been received here of the death of the baby of Mr. and Mrs. Joy St. Clair, of Las Vegas, New Mexico. It died of flu and pneumonia. Mr. and Mrs. St. Clair had only been there but a few weeks. Mr. C. E. Miller and family, of Fordsville, who are there, are also reported ill of the flu.

Mr. T. S. Miller made a business trip to Fordsville last Monday.

Mr. and Mrs. W. A. Ford and children spent Saturday night and Sunday with their parents, Mr. and Mrs. J. C. Ralph, of Sunnydale.

HORSE BRANCH

Mr. J. S. Ford is confined to his bed with illness and was not able to attend the funeral of T. H. Ford.

Mr. J. W. Ford, of Owensboro, attended the funeral of his brother, Mr. T. H. Ford.

Mr. C. W. Wells, of Central City, passed through here Thursday, en route to Ellis on business.

Mr. W. O. Read and wife left Wednesday for New Orleans to visit their daughter, Mrs. Schuler.

S. E. Beaver, of Owensboro, has returned home after attending the funeral of his step-father, Mr. T. H. Ford.

Messrs. J. E. Fentress and W. R. Cummings passed through here Saturday on their way to Olaton to buy mules.

Mr. Alfred E. Wheeler left here Saturday for Akron, Ohio.

Mr. E. A. White went to Owensboro, Saturday, on business.

P. M. Heath went to Hartford last week to find out how many widows there are in Ohio County. He came back all smiles and purchased several post cards.

DIED OF PNEUMONIA

HORSE BRANCH—Mr. Thos. H. Ford, died at his home in Horse Branch last Thursday, after a brief illness of pneumonia. He was 60 years of age and is survived by his wife, Mrs. Maymie Ford.

The deceased was a member of the Church of Christ, a man of few faults and lived a devoted christian life. He leaves a host of relatives and friends to mourn his loss. Interment took place at Salem cemetery, Jan. 30, at 2 p. m.

OLATON

Olaton is awake again, after being silent for some time.

No serious illness to report from this place.

Mr. T. W. Daniel is improving, after an attack of pneumonia.

Mr. Clarence Pierce, of Leitchfield and Dee May, of this place, made a flying trip to Texas, last week.

Mrs. Clarence Felix, and little son, Cortis, of Winnfield, La., are at the home of Mrs. Felix's parents, Mr. and Mrs. T. W. Daniel.

Mr. and Mrs. Walter C. May, of Beaver Dam, spent Sunday, with Mr. W. W. May and family, of this place.

The W. O. W. hall at this place, was sold at public sale last Saturday. It was purchased by Mr. Chester Lyons for \$605.00.

Miss Monie B. McDaniel has gone to Bowling Green to enter The Western Kentucky State Normal School.

Rev. Z. Ferrell delivered a sermon at the Baptist church here, Friday night. We were glad to have Bro. Ferrell with us again.

James Fentress, of Leitchfield, was here, Saturday, buying mules, however the purchases were few. Although offers were very liberal, farmers realize the value of mules as well as everything else.

MASONIC MEETING

Hartford Lodge No. 675 F. & A. M. will meet in called session next Friday night for the purpose of conferring the Master Mason's degree on three candidates.

Mrs. Mattie B. Barrett, who recently sold her two residences on Bonner Avenue, to Mr. Cobb, of Livermore, has moved to the residence of Mr. R. H. Gillespie and will make her home with this family for an indefinite period.

A Very Good Time To Invest in Men's Overcoats

Every market condition indicates much higher prices for the coming season, and these Overcoats, now reduced, will be found quite as desirable as those that will cost more later on

A lucky purchase makes it possible for us to offer these unusual values in the face of this high market. A manufacturer who had several hundred good overcoats, finished too late for shipment on Fall Orders, NEEDED CASH—our buyer stepped on the scene and purchased the entire stock. We now offer them at less than Present Wholesale Cost. Buy your next year's overcoat NOW.
